Sponsorship Opportunities

October 26, 2026 - Coast Capri Hotel - Kelowna

Join us for an inspiring evening of compassion, connection, and celebration at the annual **Tails of Hope Gala**, proudly presented by **Touchstone Law Group LLP**, on **October 24, 2026**, at the Coast Capri Hotel.

This signature event celebrates the life-saving work of the **Okanagan Humane Society (OHS)**, where every contribution plays a vital role in transforming the lives of animals in need.

Guests will enjoy an elegant evening featuring a gourmet dinner, fine wine, live music, a silent auction, a live art experience, and meaningful conversations with fellow animal advocates, OHS volunteers, and the animals whose lives have been positively impacted through OHS programs. Attendees will be moved by powerful rescue stories, have the opportunity to meet inspiring animals, and experience the profound impact of giving back to the community.

We invite you to support this meaningful event by becoming a corporate sponsor. In addition to providing an educational and engaging experience, the gala raises critical funds for OHS, which receives no provincial or municipal government funding. Proceeds from this event directly support OHS's **Rescue and Pet Assistance Programs**, which helped more than **4,500 animals in 2025**.

Sponsorship offers a unique opportunity to align your organization with a trusted community charity and demonstrate your commitment to animal welfare. A variety of sponsorship levels are available to suit your company's goals and budget.

We look forward to partnering with you to make a lasting difference for animals in our community.
